OCTOBER 2021

## HUMAN TRAFFICKING AND VIOLENCE AGAINST WOMEN

**WHEN:** Tuesday, October 12

**PROGRAM:** The York County Human Trafficking Task Force has created educational programs for law enforcement, behavioral health providers, medical professionals and agencies working with vulnerable youth. Crystal Perry from the YWCA will be speaking with us about what Human Trafficking is, the federal definition is, and what services and trainings we have in York.

Crystal Perry is the Human Trafficking Advocacy Coordinator at the YWCA. She joined in February 2020. Previously she has worked as an emergency shelter coordination and residential support advocate. She seeks to provide comprehensive, high quality social services to all victims of human trafficking. She uses a victim-centered approach in proactively helping clients navigate their way to the new life with a swift and coordinated criminal justice response to human trafficking, on which the rights of victims are protected under Pennsylvania and federal law.

*Margaret Kremer & Amber Seidel, Program Co-Vice Presidents*

## 2021-2022 BUDGET – VOTE AT MEETING

We will vote on the 2021-2022 budget at the October meeting (delayed from September).

## 2021-2022 YEARBOOKS

For the first time in a number of years, York College printed the 2021-22 Yearbooks. A big thank you to Rosanna Wood (YCP) and Sue McMillan, who made sure the pages looked right, were in the right order, and who stapled the books together. Unclaimed *Yearbooks* will be mailed after the October meeting.

*Betty Hooker, Yearbook Chair*

## DISPOSABLE UNDERWEAR DRIVE

Thanks to all of you who brought disposable underwear to the Branch meeting on September 14. My trunk was full when I dropped the items off at the office of Representative Carol Hill-Evans. In these times of economic hardship, your help is appreciated more than ever.

*Betty Hooker*

## **FROM THE PODIUM**

Once again, we will be meeting outdoors. Perhaps the leaves will be turning their beautiful fall colors and we can bask in their glory. Why not bring a friend?

In the mail this month was a reminder that many workers (mainly women) do not receive pay when they must take time away from their jobs to tend to family members or their own health. Returning to work too soon then puts children, spouses, or parents in jeopardy or further aggravates an illness or injury. AAUW has made paid leave for all a major focus of their crisis-recovery efforts.

At the meeting, we will hear from Chrystal Perry, Human Trafficking Advocacy Coordinator, about violence against women including human trafficking. We will also vote on our budget for the coming AAUW year and hear about our fall/winter fundraising project. See you all there!

*Nancy Buckley & Rita Meisenhelder, Co-Presidents*

## **BOARD MEETING**

The October 5 Board meeting will be conducted virtually using Zoom. Nancy will email the agenda a few days before and then lead the meeting, beginning at 10:00 a.m. Branch members are welcome to attend Board meetings.

## **A BIG THANK YOU FROM SUE ZITNICK**

I am sending a big thank you to all the members who sent me get well cards and happy birthday cards. The encouragement and well wishes were/are appreciated and helped keep my spirits up. I am using a walker to get around and can't drive at all so you know I need your wishes. I am better now than I was in the spring so I still have high hopes. Chuck and the kids have been wonderful doing everything. I may be done with the treatments by Christmas or next spring. So keep the prayers coming and your fingers crossed!

## **MEMBERSHIP**

Currently, we have 72 members in the York Branch. We were pleased to have two visitors at our September meeting, Gina Christianson and Peggy Davidson.

*Jean Quickel & Suzanne Robertson, Membership Co-VPs*

## **YOUNG WOMEN'S LEADERSHIP CONFERENCE**

Young Women's Leadership Conference (YWLC) will not be held again this fall at York College due to COVID-19 restrictions. The leaders wanted our York Branch to know how much they appreciate our financial and volunteer support over more than ten years since the conference's inception. Thank you, everyone.

*Martha Fleischer, YWLC Chair*

## AAUW FUND

The National Conference for College Women Student Leaders (NCCWSL) provides for hundreds of young women from around the United States to come together for three days of leadership training, inspiration and networking. NCCWSL was founded more than three decades ago and has attracted over 10,000 student leaders. The workshops, panels, speakers, and activities provide opportunities to learn from experts and also provide peer networking.

To help provide funds for a NCCWSL scholarship, the York Branch will be participating in the Boscov's *Friends Helping Friends* fundraising event. The \$5.00 shopping pass entitles the customer to save up to 25% off the lowest prices. This event will be on Wednesday, October 20, from 8 a.m. to 11 p.m. Your shopping pass may be purchased at the October 12 Branch meeting. All \$5.00 will help support a NCCWSL scholarship.

*Jane Long, AAUW Fund Chair*

## PUBLIC POLICY

AAUW and AAUW-PA began 2020 with great hopes for celebrating the 100<sup>th</sup> year of women having the right to vote. Then, a small wrinkle made its way into everyone's plans throughout the world. That little wrinkle that grew to be a crushing monster is, of course, COVID-19. It caused those working on public policy to change direction, reevaluate methods and reimagine how to continue advocating for AAUW priorities in spite of lockdowns and uncertainty. One thing became apparent and that the way for women to proceed was in coalition and through coordinated goals. Women, and particularly women of color, were being negatively impacted much more than their male counterparts. Women make up the majority of front-line workers, health professionals, teachers, childcare providers, retail employees, and restaurant and hospitality workers. A new term – SHEROES – was coined as people vowed they would remember how much we all relied on these brave, self-sacrificing women. Fast forward to present day 2021 and these same heroes are now the largest number suffering economically in what is being called the SHECESSION, because women are the largest group having lost their jobs alongside a multitude of obstacles prohibiting them from returning to work. Not the least of these obstacles being lack of childcare.

*Carol Heintzelman, Public Policy Chair*

## WRITE READ WRITE PROGRAM

Sadly, due to the continuation of COVID-19, we will not be able to participate with Phineas Davis third graders in the Write Read Write program this year.

## **SUPPER CLUB**

For many years, York Branch members enjoyed our very popular interest group, the Gourmet Club. As times and cooking styles changed, so did our name. We became the Supper Club, also doing luncheons as well, meeting in our homes. The last couple of years, interest in Supper Club began waning, then COVID-19 restrictions hit, putting a complete stop to activities. We were deeply saddened, too, by the passing of longtime Gourmet member and Supper Club co-chair, Marion Bowman.

If you are interested in participating in Supper Club activities or have any ideas about how we can continue this interest group, I would like to hear from you with your suggestions. Please email me, and I look forward to your response.

*Lois Kulp, Supper Club Chair*
